## **CAREER OPPORTUNITY: SENIOR COMMUNICATIONS + ENGAGEMENT SPECIALIST**

Scatliff + Miller + Murray is seeking creative, organized, and strategic thinkers to join our dynamic team of engagement professionals working across Canada. Our team has experienced significant growth over the past year, and our portfolio continues to expand. To keep pace with this momentum, we're adding enthusiastic professionals to meet the growing demands of diverse, challenging, and rewarding projects. This is your opportunity to complement our Winnipeg team and play a key role in our continued success.

### **Are you interested in?**

- Working with a multidisciplinary team that includes Landscape Architects, Urban Planners, Engineers, and Biologists
- Engaging with stakeholders, rightsholders, and the public-at-large on:
  - Urban Design projects (plazas, parks, playgrounds)
  - Planning projects (masterplans, municipal development plans, recreation plans, community strategic plans)
  - Infrastructure projects (riverbanks, roads, bridges)
- Turning technical information into engaging public information
- Collaborating with—and working for—Indigenous communities
- Supporting the production of proposals and business development pursuits
- Occasional travel within Manitoba, Saskatchewan, and Northwestern Ontario

### **What you'll bring to the SMM team:**

- Ability to turn technical project information into compelling, easy-to-digest graphics and language in collaboration with our project team
- Ability to collaborate on the strategy, development, and writing of engagement and communication plans
- Experience conducting client background research to identify questions and concerns, providing guidance on strategic visioning
- Expertise in researching and identifying the people affected by projects and assessing the level of impact they will experience
- Ability to lead proposal strategy and planning sessions in collaboration with internal partners, and facilitate meetings, sessions, and presentations
- Time management and strong organization skills
- Strong interpersonal skills with an ability to collaborate with diverse groups tactfully and diplomatically; a team player

- Ability to diagnose, analyze, and develop solutions to complex issues
- Strong oral and written communication skills with the ability to develop grammatically accurate technical and written content
- Data analysis and report writing experience
- Education or background in communications, journalism, urban planning, landscape architecture, or natural resource management, with experience in community engagement

**Here's what you'll love at SMM:**

- Work alongside a multi-disciplinary team of community builders with expertise in design, planning, and community engagement
- A dynamic environment that encourages continuous learning and mentorship
- A collaborative, fun, and friendly workplace where your input is highly valued
- Career development tailored to you
- A workplace that cares about its employees and is inclusive and welcoming to all
- Competitive salary and benefits

This is a unique position, and we intend to design the opportunity around the right candidate. We encourage applicants to have at least 5 years of relevant experience. We are an equal-opportunity employer that values a diverse workforce.

We understand the need for discretion in receiving your submission. While we sincerely appreciate all submissions, only those selected for further consideration will be notified.

Please submit your resume and references in confidence via email to:

Avery Kirkness  
Human Resources  
[akirkness@scatliff.ca](mailto:akirkness@scatliff.ca)

Applications are being accepted by email only. Only those candidates selected for an interview will be contacted.

This posting will remain open until January 23, 2026.
